👤 ABOUT ME

I'm a **Software Engineer** with a **Bachelor of Science** in **Computer Science** from **Rutgers University**.

During my time in school, I studied topics such as **Operating Systems**, **Networking**, and introductory **Artificial Intelligence**, to name a few.

While not working at my part-time job, I've been brushing up on my **Frontend Development** skills such as **HTML/CSS**, **JavaScript**, and **React**.

In my free time, I find myself **reading science fiction novels** and **comic books**, listening to **lo-fi** and **hip-hop music**, practicing my **amateur photography** skills, and reading about **blockchain** and **smart-contract development**.

📔 BIO

Birth Date
24 November 1999

Location
New Jersey, USA

🎓 EDUCATION

- **South Plainfield HS**
  Primary Education

- **Rutgers University**
  Bachelor of Science
  Major: Computer Science
  Minor: Cognitive Science

💼 PROJECTS
